

MAJOR EMERGENCY SAFETY CARD

Issued by Briar Chemicals

1. WARNING OF DANGER

By telephone automated warning, Police loud hailer or local radio stations.

If possible check neighbours have heard warning.

If you have not provided your telephone number you are not included in the automated telephone system. We advise you to provide your telephone number as soon as possible.

You can register your contact details at:
www.briarchemicals.publicregistrationpage.co.uk

2. GO TO A SAFE PLACE

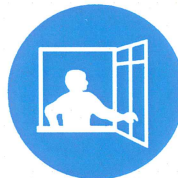

Go indoors. Invite passers-by in.

Do not collect children from school. They will be properly cared for.

3. MAKE THE PLACE SAFER

Close windows and doors. Switch off ventilation fans and gas appliances. Stay calm and wait for further instructions from emergency services.

Do not light matches or other naked flames.

4. FURTHER INFORMATION

Listen to local radio for further information. Follow official instructions.

Do not use the phone. Keep lines free for emergency use only.

Radio Norfolk, 95.1 MHz VHF
Radio Broadland, 102.4 MHz VHF

5. ALL CLEAR

Wait indoors until the Police, the automated telephone system or the local radio stations give the all clear message. Follow any further instructions given.
